

# PERSONALIZED PARTY CUPS

## SUPPLIES:

- Plastic drink cup/tumbler of choice

- Acrylic paint pens in colors of choice. You can also use permanent markers

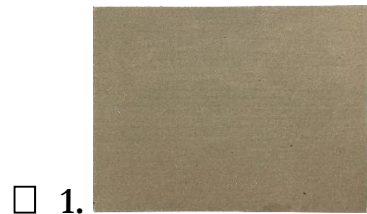

- Protective craft mat

- Can of clear acrylic coating spray (for multi-use cups/tumblers)

# PERSONALIZED PARTY CUPS

## DIRECTIONS:

**Place** a protective craft mat or newspapers down on your work table.

**Draw** a design of your choice on the outside of your plastic cup/tumbler.

Using paint pens will create a design that is more opaque (not see through) while permanent markers will create a design that is transparent (see through).

**Allow** painted cups to dry thoroughly. Single use cups are ready to use when dry.

## For multi-use cups:

**Place** painted cup upside down on craft mat in a well-ventilated area. **Spray the entire outside surface lightly** with clear acrylic coating. We recommend you apply a total of 3 coats. Allow each coat to dry before applying next coat.

# PERSONALIZED PARTY CUPS

□ 4.

Once your cup is dry, it is ready to use.

Enjoy!
